Subject: Maguire Letter - McLane

[[MCLANE8.DOC : 2327 in MCLANE8.DOC]][[SUMMARY.XLS : 2328 in SUMMARY.XLS]][[NE_MCL.XLS : 2329 in NE_MCL.XLS]]The first document is a letter from JVM on McLane overstocks. The SUMMARY.XLS provides topline data by sales area. The last attachment is a EXCEL BOOK with the March 1 excesses grouped by individual or category. You will need to find the appropiate tab in this book for your own accountabilities. You may wish to reference the latest update (dated 3/22) on McLane inventory for more recent data. It is not sorted only by McLane Division. If this was not sent to you, please contact me and I will route to you. David Gramley (ext 1011).
